

YOU DIDN'T KILL THAT
WOMAN BACK THEN,
DETECTIVE,
YOU KILLED ME.

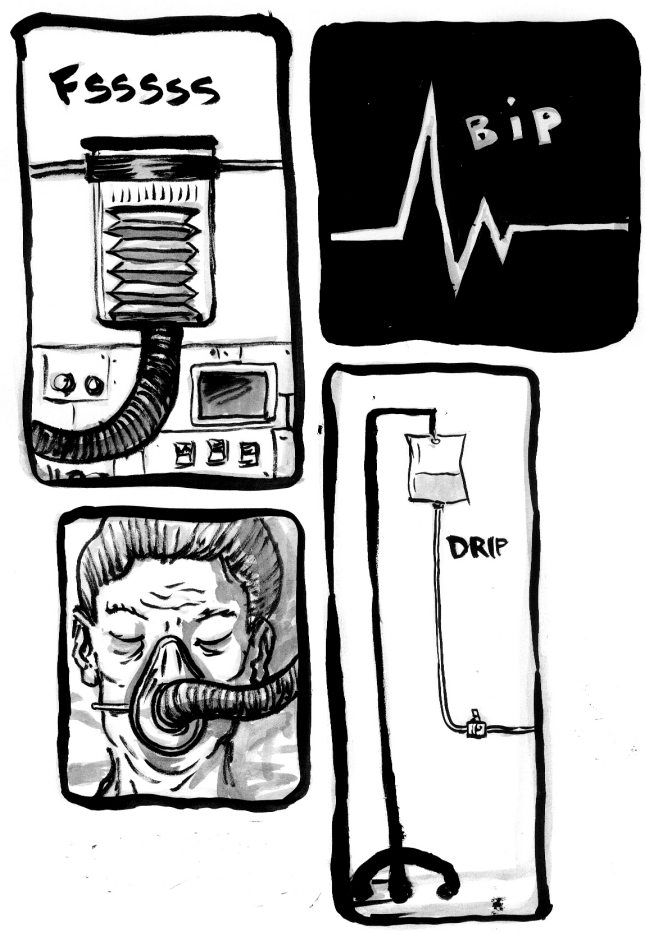

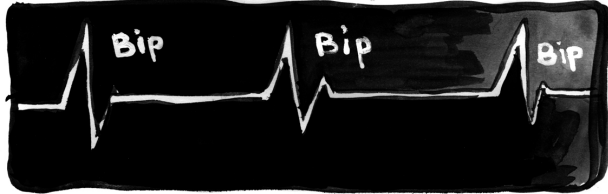

BUT AFTER A FEW MONTHS
I STARTED THINKING: "WHAT
HAPPENED TO THE ORIGINAL
HOST OF THIS BODY?"

HAD I JUST KILLED THE
BOY AND TAKEN HIS PLACE?

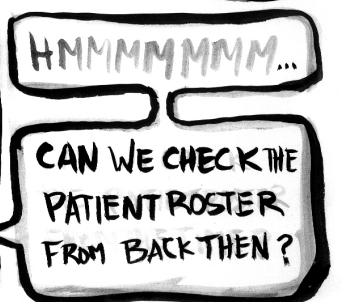

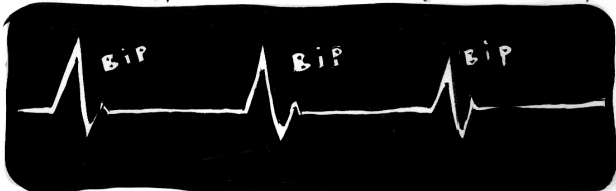

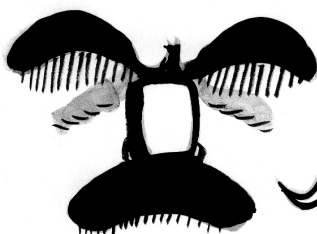

THERE'S GOTTA BE SOMETHING THAT CONNECTS ALL THE VICTIMS, AND I FINALLY GOT MY FIRST LEAD: THIS IS THE SECOND VIC. THAT WORKED AT THIS HOSPITAL...

HAD TO COME CHECK IT OUT, ASK SOME QUESTIONS. HAVEN'T BEEN HERE IN ONE YEAR...

THAT SETTLES IT THEN: THE KILLER IS SOMEONE WHO WAS IN THIS HOSPITAL A YEAR AGO, AS WELL AS TODAY.
