

that was a lot of fun.

THE END.

A TRIP.

I'm in my own time, I am me.

And actually, searching into my past, on my own, for answers that will resolve all my problems. Might not be the best strategy.

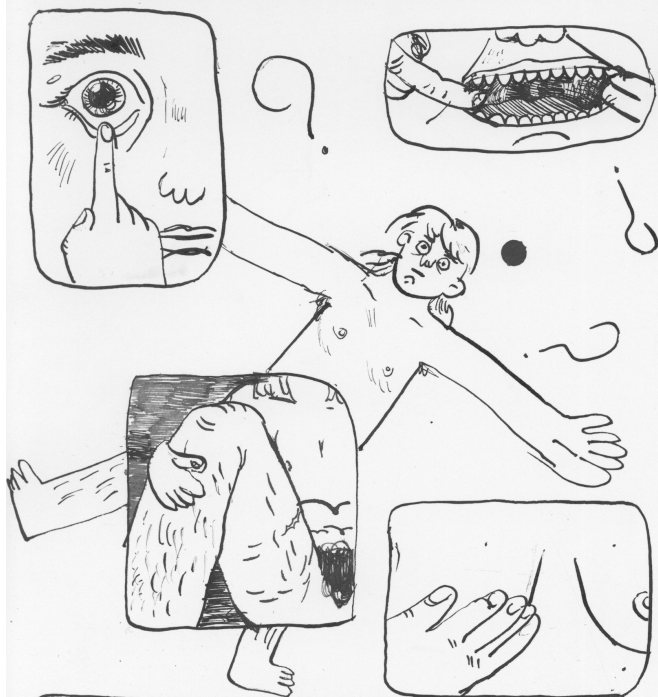

I start searching into my past seeking for answers.

Often i wonder how i ended up here, as me.

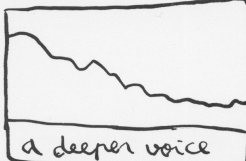

How i became who i am.

So much unknown there.
but best try.

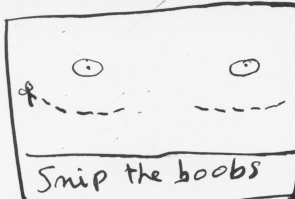

I would like...

a mustache

a deeper voice

Snip the boobs

and to have the power to talk
to cats. ~~etc~~

I start by selecting and collecting memories

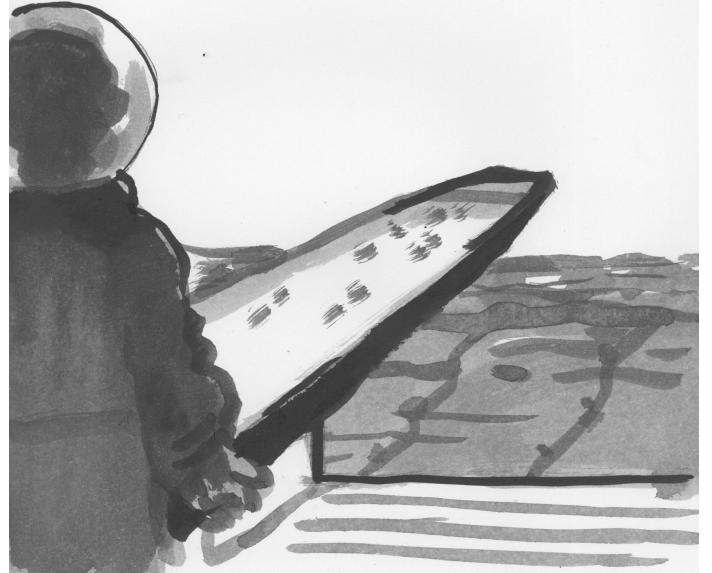

Other times i'm more of a little shit.

Maybe i should wonder what i want
to be instead of what i wanted to be...

And where i'm going.

I can create very contradictory
stories about myself:
