

Don't Hate,  
Menstruate!

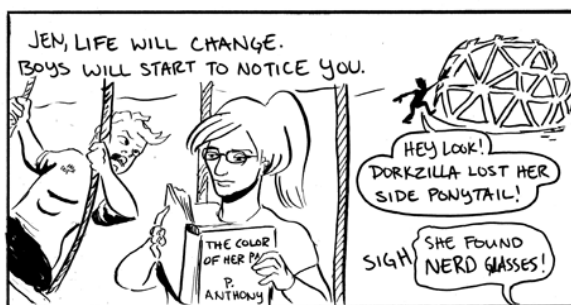

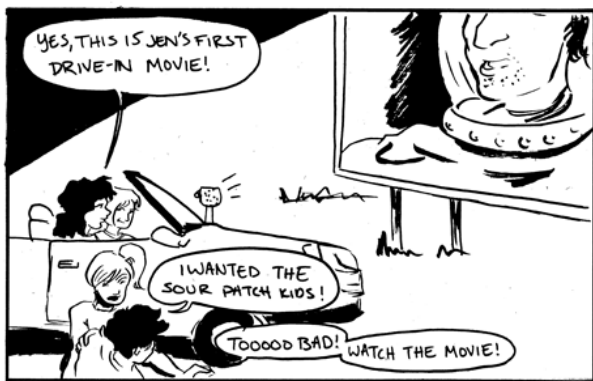

AND SO WE MOVED FOR A FIFTH TIME...

BUT WHAT BRAND AND KIND OF EACH PRODUCT TO PURCHASE -TO USE?!

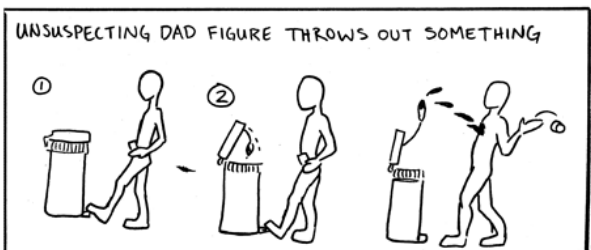

PLUS, THE MAGIC OF YOUR PERIOD MEANS YOU MIGHT HAVE BABIES SOMEDAY.

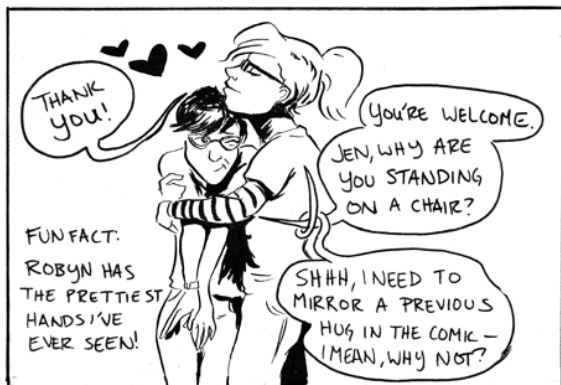

OVER THE LAST 15 YEARS I'VE DISCOVERED THE FOLLOWING THINGS TO GET OUT OF:

BUT TO GET YOUR FATHER'S ATTENTION... IF YOU HAVE A FLIP TRASH CAN, TAKE A NEW TAMPON, DIP IT IN V-8 (VEGGIE) AND TAPE IT TO THE TOP OF THE TRASH CAN LID. AND WAIT...

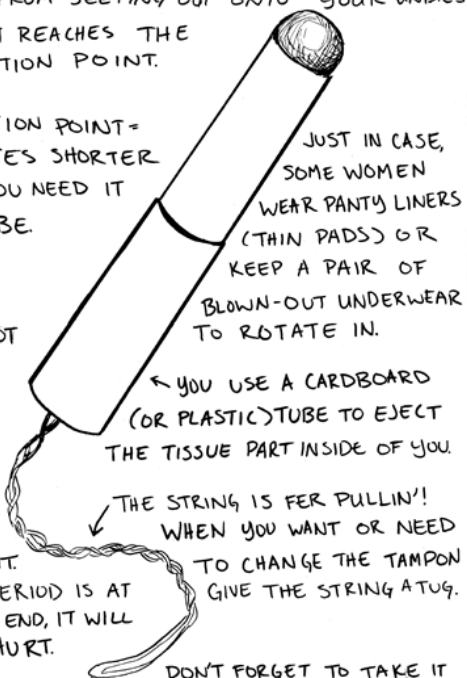

### INTRODUCTION TO THE TAMPON!!!

A TAMPON IS COMPRESSED COTTON OR RAYON THAT EXPANDS AS IT ABSORBS LIQUIDS, IN THIS CASE MENSES, ONCE IN THE VAGINA, IT PREVENTS MENSES FROM SEEPING OUT ONTO YOUR UNDIES UNTIL IT REACHES THE SATURATION POINT.

SATURATION POINT = 10 MINUTES SHORTER THAN YOU NEED IT TO BE.

WORRY NOT THAT IT WILL BE TOO BIG! IF YOUR MENSES ARE A-FLOWING IT WILL FIT. IF YOUR PERIOD IS AT THE TAIL END, IT WILL JUST HURT.

DO NOT USE FOR MORE THAN 32 DAYS, 1 WEEK OR EVEN 8 HOURS. REALLY.

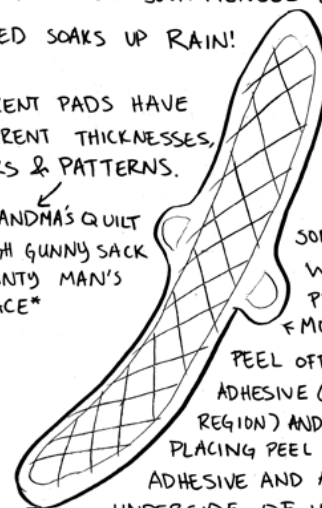

### INTRODUCTION TO THE PAD!

A SOFT PIECE OF PLASTIC-BACKED TISSUE THAT ABSORBS YOUR MENSES LIKE A DRY RIVERBED SOAKS UP RAIN!

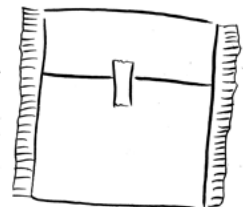

DIFFERENT PADS HAVE DIFFERENT THICKNESSES, COLORS & PATTERNS.

- GRANDMA'S QUILT
- ROUGH GUNNY SACK
- BOUNTY MAN'S FACE\*

PADS ARE WHAT MOST WOMEN START OFF USING. THESE BABIES IN THEIR

WRAPPERS MAKE SO MUCH NOISE! ITS LIKE OPENING CANDY IN CHURCH. GOOD LUCK SLIPPING THOSE SUPA-HEAVY FLOW PADS INTO YOUR POCKET NONCHALANTLY.
