THE FALL OF THE JESTER

camille bouteiller

but i have to warn you ...

don't ever make fun of his nose's hairs ...

what about who?

what about you?

me?

yes

you

i killed a man

sounds like a funny story as well

the king - with - a - beard - that - grows - upside down was very happy about my work

but i have vices...

that want to free themselves...

did you ask why i'm here?

actually it's a very fun story...

no

at this moment i didn't know

it didn't know that it was my last show

so it was a very big

big

big mistake

it was
because
of a joke
i made

since then, no one was
allowed
to
talk
about
it

i made a joke about
the king's
beard
